

# ZOO FARI ANIMAL ADOPTIONS FRIDAY, JUNE 7, 2024

Consider adding a Zoo animal to your family or employee roster for the next year! Adoption of an animal can occur in advance of Zoofari or the night-of the event. Pre-adoption will guarantee you adopt exactly who you want!

All adoptions will be recognized on a plaque at the animal's exhibit area for the next year. Donors will also receive an event-themed hand-made silver julep cup, plush animal, adoption certificate and exclusive access throughout the year to spend quality time with your adopted animal and their care team.

## New Live Auction Experience!

Historically, the Zoo has only auctioned animal adoptions. Starting this year we are expanding our program! Get ready to support the Zoo by adopting animals and by bidding on various experiences and items. We will reveal some of our auction items as the event gets closer... stay tuned!
