Teddy Abrams will conduct this unforgettable summer concerting highlighting the spirit of America! This patriotic inspired evening kicks off with “The Star-Spangled Banner” and dives into iconic works that reflect the heart and soul of American culture including Copland’s vibrant El Salón México and Carlos Simon’s stirring The Block, a tribute to Black American life. Patriotic flair meets classical power with selections from Beethoven, Vivaldi, and Gulda, while Hollywood favorites like John Williams’ Jurassic Park and Star Wars themes add blockbuster excitement.

## July 19, 2025 Concert Details

**The Zoo opens at 7 p.m. and the concert begins at 8:30 p.m.**

Under the baton of beloved ROARchestra Maestro Bob Bernhardt, this high-energy program opens with John Williams’ Cowboys Overture, setting the stage for Copland’s iconic Dance Episodes from Rodeo, including the beloved “Saturday Night Waltz” and crowd-favorite “Hoedown.” Adding authentic country color, Suede Saddle brings vocal harmonies and traditional Western instrumentation—including fiddle, accordion, and upright bass—for a foot-stomping good time. The evening concludes with Rossini’s William Tell Overture, a perfect send-off to this celebration of Western heritage and musical storytelling.
